

## 17<sup>th</sup> Annual Rich England Memorial Scholarship Golf Classic

In 1995 our son was killed in an industrial accident at AK Steel. At that time we started the Rich England Scholarship Fund Golf Scramble, all monies we receive from the scramble goes into the scholarship fund. We present a \$2000.00 scholarship each May to a Carlisle Senior boy that plans on attending college. So far we have given over \$38,000 in scholarships. We are asking that your business be a part by taking out a sponsorship at this year's golf outing. The England Family wants to thank you for helping us make this scholarship possible. This year's Golf Classic is August 13, 2011 at Weatherwax Golf Course in Middletown.

Sincerely,

Richard and Rose Ann England
